Dear *Evanson,*

**PETRAD AID INTRODUCTION COMMUNIQUE**

Your unreferenced letter dated 7<sup>th</sup> November, 2018 on the above subject refers.

We have perused the People's Transformation and Development (Petrad AID) Organization's Vision, Mission and its five thematic objectives. In my view, your organization and its vision is destined in the right direction.

I also suggest and advise that you add the sixth thematic objective of aiding destitute children in your areas of operation particularly in Technical Vocational Education and Training (TVET) courses to equip them with necessary skills for posterity.

I do recommend Petrad Aid to any other organization willing to help them financially or in kind so that it achieves these noble objectives to do so without hesitation as long as they work within the stipulated laws and Regulations of Kenya.

Regards

**FELIX N. MUTUNGUTI  
FOR: PRINCIPAL SECRETARY**
